

HELIA 8x42

IDEAL FOR STALKING AND HUNTING IN THE MOUNTAINS

The natural colours, the lightweight, balanced design with the open bridge and the unique, silent protective cover made of high-quality loden cloth are perfectly suited for inconspicuous carrying and observing on the hunting ground.

PRODUCT HIGHLIGHTS

- Natural, earthy colours
- Lightweight and balanced with ergonomic open bridge design
- Superb image quality in daylight, as well as at dawn or dusk
- Rugged, fog-free and waterproof
- Innovative accessories made of high-quality and noiseless natural materials made by Waldkauz®
